MISCELLANEOUS READING.

The Harrisburg Herald of Thursday tells the following story of "love in the care." of the employees on the Pennsylvania Railroad informs us of a singular adventure which occured on the passenger train of cars coming into this place on Saturday evening last In one of the cars a young gentleman was seated, apparently deeply occupied in read-ing a book he held in his hand, until he got to Lancaster. At that place a very handsome young lady entered the cars and took a seat opposite to him. Before she had been long in the train, theeves of both met, and they recognised one another as old acquaintances when young, having been separated by their parents moving apart-those of one to the West, and of the other to Philadelphia. Accordingly when the train arrived here they took lodgings at a hotel, sent for a minister, and were united in the bonds of connubial bliss, and taking the next train, were off on their bridal tour .-Our informant sayshe is acquainted with the 600 parties, and that they occupy high positions in

The Howard Association, in view of the awful destruction of human life, caused by Sexual ing as quick in its effects as Peruvian Guano diseases, and the deceptions practised upon the unfortunate victims of such diseases by quacks, several years ago directed their Consulting Surgeon, as a charitable act, worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical advice gratis, to all who apply by let ter with a description of their condition, (age occupation, habits of life, &c.,) and in cases of extreme poverty, to furnish Medicines free of charge.
